Qualification

Guangdong University of Technology
Network engineering

Bachelor's degree

Custom

I have many kinds of project experience. (Frontend, backend, backstage, mobile.)
I like running, swimming, biking and surfing.
I like nature and adventures.
Once biking with 3 friends cross the Sichuan-tibet highway, around the Himalayas, almost 2000km and take about 22 days.
I really hope to live in New Zeland with the unspoilt nature.
