Qualification

Guangdong University of Technology
Network engineering

Bachelor's degree (2010-2014)

Summary

Rich project experience and have passion for learning latest technologies.
Enjoying running, swimming, biking and surfing.
Once biking with 3 friends cross the Sichuan-tibet highway, around the Himalayas, almost 2000km, which took me about 22 days in 2012.
Understanding of a wide range of cultures, religions and backgrounds and the ability to work respectfully with a variety of people.
New Zealand's unspoilt nature and lifestyle really attract me and I really hope to meet you.
